# Introduction

Created four years ago in Coullaines, just five minutes from the city center of Le Mans, Le Briefing has gone from a simple hangar to a modern lounge-style reception room.

As soon as we enter, it feels good.  
You are immediately immersed in a cozy atmosphere: armchairs, sofas, soft light... everything invites to relaxation.

In the morning, a breakfast awaits you to start the day well.

During the day, take advantage of our fully equipped meeting room (paperboard, video projector, microphone...) for your workshops or professional meetings.

At noon, stay on site and choose the formula that suits you: buffet, cooked meal, dish to share, barbecue, food truck...

In the evening, the atmosphere becomes more festive: dim lights, bar, drinks and petit fours for your cocktails.

In summer, a large terrace and a garden complete the setting, perfect to surprise your guests.

Conference, training, seminar, birthday, cocktail party...

Le Briefing offers you a tailor-made service for all your events.

Book now the Private Space Le Briefing and offer a unique experience to your guests.

# Our Services

In the company Le Briefing, each event is entirely tailor-made. Our clients have the possibility to organize any type of event, whether professional or private, and we adapt every detail to their needs and desires. Thanks to our personalized support, we create unique experiences that resemble them.

At the Briefing, we offer a wide range of activities to energize your events. Casino, darts, magician and many other activities are available to surprise and entertain your guests. We invite you to come and discover all our activities, designed to make each moment unique and memorable.

Le Briefing benefits from a wide range of local caterers in Le Mans, working exclusively with fresh products to ensure impeccable quality. Our clients also benefit from a dedicated service in the dining room, designed to facilitate organization and offer a gourmet and serene experience.

At the Briefing, our guests also benefit from free on-site Wi-Fi access, allowing them to stay connected with ease throughout their event.

At the Briefing, guests also benefit from private parking directly on site, offering them a simple, convenient and completely serene arrival.
